

*Your Reliable
Tech Team*

UNILOGIC

WEB & IOT SOLUTIONS

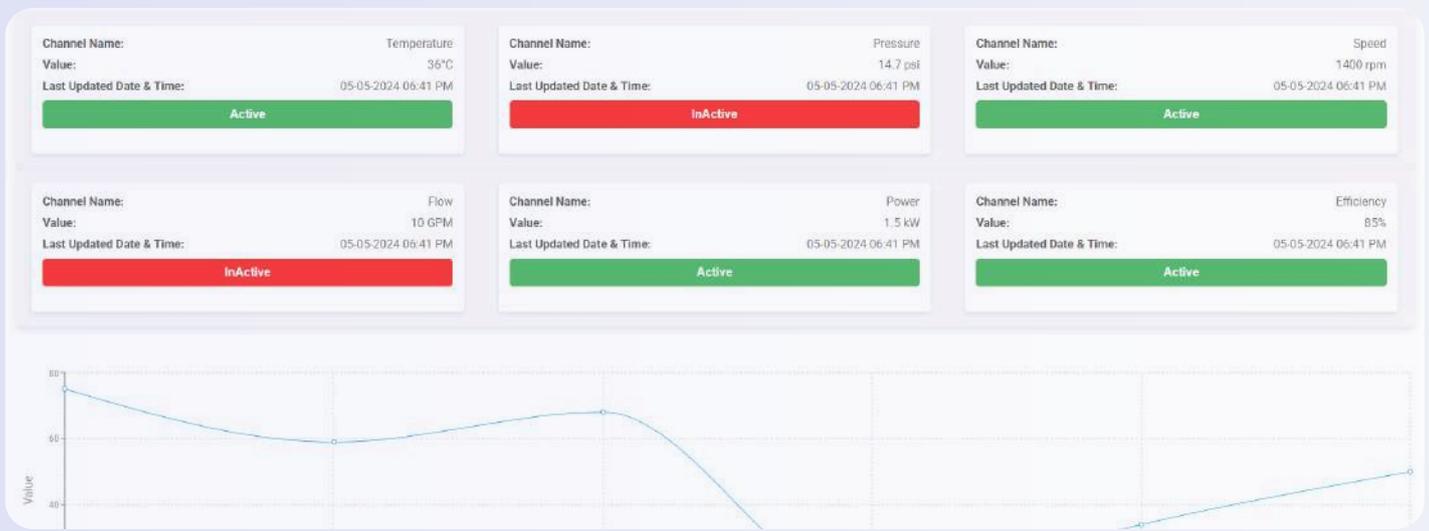

for Engineering, Testing & Industrial Workflows

Crafted Code for Industrial Needs.

Scan for Website

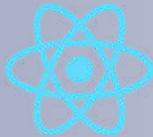

Unilogic Technologies Private Limited
24/1, 6th Cross, Thaneerpandal Road,
Peelamedu, Coimbatore – 641014, Tamil Nadu

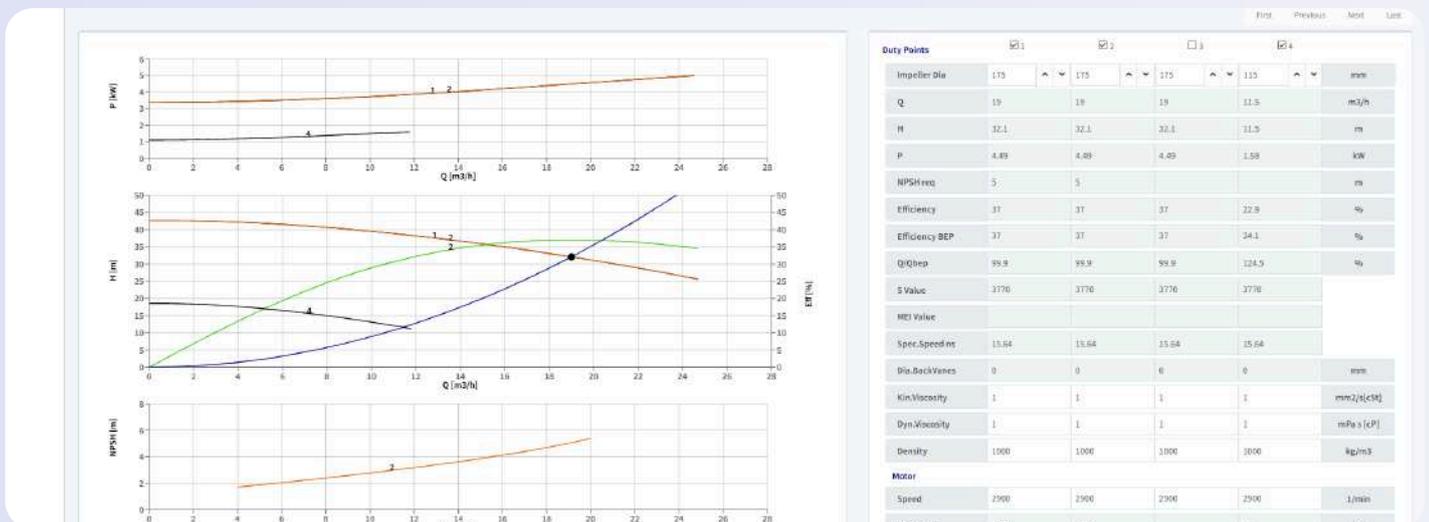

Smart Monitoring Systems

Smart monitoring solutions that turn sensor data into actionable insights — in real time.

Industrial Simulation Systems

Simulate system behavior with configurable inputs — test, train and validate before building.

Smart Report Tools

Web tools that turn physical records and Excel reports into smart, interactive systems

Role-Based Workflow App

Custom web systems with role-based access to manage users, tasks and workflows efficiently.

<p>IndLUG - LabView Contest</p> <p>Join the IndLUG - LabView Programming Contest to showcase your programming skills, solve real-world challenges, and compete for exciting prizes. Enjoy a dynamic leaderboard, receive expert feedback, sharpen your programming expertise, and connect with a global community of enthusiasts! Whether you're a beginner or a pro there's something for everyone. Push your limits, learn from the best.</p> <p>Ends in 16 Days 8 hrs 29 mins 1 secs</p> <p>Enter</p>	<p>CodeQuest</p> <p>Join the CodeQuest Programming Contest to showcase your programming skills, solve real-world challenges, and compete for exciting prizes. We're an engineering company delivering web, automation and test solutions.

Projects

150+

Clients

200+

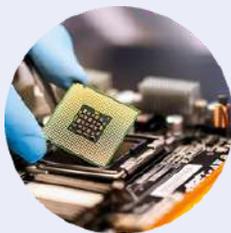

Man Years

350+

Industries we serve

Automobile

Semiconductor

Pump and Motor

Manufacturing

Need a custom web tool to

Simplify workflow? Automate a process? Digitize operations?

Let's talk. We're fast, engineering-minded and focused on building practical, tailored web solutions for real-world needs.
